The U.S. Department of Education's 21st Annual National Meeting on Alcohol and Other Drug Abuse and Violence Prevention in Higher Education will be held at the DoubleTree Hotel and Executive Meeting Center in Omaha, Nebraska on October 18-21, 2007.

In conjunction with the National Meeting, The Network Addressing Collegiate Alcohol and Other Drug Issues is once again sponsoring the National Forum for Senior Administrators on Friday, October 19th. The National Forum is dedicated to providing senior administrators with the most current information concerning campus issues associated with alcohol, other drugs, and violence prevention in higher education.

We encourage your involvement in this year's National Forum. Dr. Larry Mazzeno, the former president of Alvernia College, will facilitate a

discussion concerning legal challenges and opportunities pertaining to alcohol, other drugs, and violence on campus. Representatives from the U.S. Department of Education's model campus program grantees will discuss current research-based strategies related to alcohol and other drug abuse prevention in higher education with a focus on those issues that are most relevant for senior administrators.
