The U.S. Department of Education's 22nd Annual National Meeting on Alcohol and Other Drug Abuse and Violence Prevention in Higher Education will be held at the Crowne Plaza Hotel St. Paul - Riverfront in St. Paul, Minnesota from November 16-19, 2008.

In conjunction with the National Meeting, The Network Addressing Collegiate Alcohol and Other Drug Issues is once again sponsoring The National Forum for Senior Administrators on Monday, November 17, 2008. The National Forum is dedicated to providing senior administrators with the most current information concerning issues related to campus safety, alcohol, other drugs, and violence prevention, and student mental health in higher education featuring some of the nation's top experts on these issues.

We encourage your participation in this year's National Forum, as it will provide an excellent opportunity to:

- Ensure you are up to date on important issues regarding campus safety and institutional liability;
- Provide opportunity to engage in a discussion concerning legal challenges for colleges and universities; and
- Address issues pertaining to alcohol, other drugs, student mental health, and violence and safety on campus.

More details about The National Meeting and The National Forum, including information about the agenda, accommodations, and event registration are available online at [www.higheredcenter.org/natl/2008](http://www.higheredcenter.org/natl/2008).
